

COMPACT TRACK LOADERS

KATO AT35R

NEW · SALE · KATO

This track loader is the ideal choice for those looking for a strong, reliable machine able to take on the toughest challenges. Despite a higher initial investment, its durability and high performance (standard Hi-flow at 135 l/min and operating load of 848 kg) make it an indispensable partner for any type of work. Recommended for demanding professionals who accept no compromises, its strengths are outstanding power and lifting capacity, a sturdy structure suited to intensive use, the versatility ensured by compatibility with numerous attachments, and ease of maintenance achieved through meticulous design.
